### **Willie & Max launches Revolution Series Saddlebags**

#### **New leather and synthetic leather bags feature contemporary look**

#### **Exclusive built-in hard mount system will fit most cruisers**

Willie & Max introduces the Revolution Series, a new line of handcrafted saddlebags that will look great on any cruiser.

Revolution's eight new leather and 12 synthetic leather saddlebags feature a wide range of contemporary designs in either hard mount or throwover styles. The exclusive hard mount system will fit most cruisers on the market – a big plus for riders.

Revolution's hard mount system has been incorporated into the saddlebag, so riders don't have purchase and install separate hardware. "These bags are very easy to install, and were designed to save riders time, money and hassle," said Angela Lettenberger, Willie & Max spokesperson.

Stability is the buzzword here. The hard mount bags feature injection molded backs contoured to fit the mounting system, and rock-solid adjustable brackets and hardware. Revolution's throwover style bags have reinforced backs to provide superior stability, as well as reinforced yokes for secure universal mounting above or below the seat. Zip-off yokes and carry handles make removal and transport a breeze.

These bags won't lose their shape for the long haul – thanks to a durable powder coated wire frame and reinforced gussets. High quality chrome buckles offer a quick release system for fast access to saddlebags, and front and rear snaps enhance lid security at higher speeds.

Five new synthetic leather accessory bags also are offered in the Revolution Series and include a synthetic leather tour pack/trunk bag (large and small sizes), handlebar bag, fork bag and windshield bag.

Manufacturers suggested retail price (MSRP) for the Revolution Series leather saddlebags ranges from \$509.99; synthetic leather from \$174.99; and accessory bags from \$21.99.

Willie & Max is a world leader in high quality motorcycle luggage including saddlebags, sissy bar bags and tour packs. For more information visit [www.willieandmax.com](http://www.willieandmax.com) or call 1-800-558-7755 for a dealer near you.
